**NOTICE OF
PROTECTION PROVIDED BY
ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary description of the Illinois Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Illinois law, that determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity or health insurance company becomes financially unable to meet its obligations and is placed into Receivership by the Insurance Department of the state in which the company is domiciled. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Illinois law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association per insolvency are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits*
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

*The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except special rules apply with regard to hospital, medical and surgical insurance benefits for which the maximum amount of protection is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitations under Illinois law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ilhiga.org or contact:

Insurance companies and agents are not allowed by Illinois law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Illinois law, then Illinois law will control.

**NOTICE REGARDING THE ILLINOIS RELIGIOUS FREEDOM
PROTECTION AND CIVIL UNION ACT**

On June 1, 2011, the Illinois Religious Freedom Protection and Civil Union Act ("the Act") went into effect. The Act provides that parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the law of Illinois to spouses, whether they are derived from statute, administrative rule, policy, common law or any source of civil or criminal law. In addition, this law requires a marriage between persons of the same sex, a civil union, or a substantially similar legal relationship other than common law marriage, legally entered into in another jurisdiction, to be recognized in Illinois as a civil union. The Act further provides that "party to a civil union" shall be included in any definition or use of the terms "spouse", "family", "immediate family", "dependent", "next of kin" and other terms descriptive of spousal relationships as those terms are used throughout the law.

This notice is to inform you that pursuant to Illinois Department of Insurance Company Bulletin 2011-06 (CB 2011-06) Symetra Life Insurance Company group insurance policies covering Illinois residents are in compliance with the Act. Any benefit, coverage or right, governed by Illinois state law, provided to a person considered a spouse by marriage will also be provided to a party to a civil union and any benefit, coverage or right, governed by Illinois state law, provided to a child of a marriage will also be provided to a child of a civil union.

Your coverage will continue for up to the greater of:

- the leave period required by the Federal Family and Medical Leave Act of 1993, and any amendments;

No benefits are payable for any period of disability during which you are incarcerated in a penal or correctional facility for a period of 30 or more consecutive days or for which you are not under the regular care of a doctor.

If your professional or occupational license or your certification is suspended, revoked or surrendered, loss of your license or certification, by itself, does not mean you are disabled.

If you do not meet this time period requirement, then the increased amount of coverage for your disability is excluded from coverage under this plan.

Pre-existing condition is a sickness or injury:

HOW MUCH WILL OUR MONTHLY PAYMENT TO YOU BE IF YOU ARE DISABLED AND NOT WORKING OR DISABLED AND WORKING, EARNING LESS THAN 20% OF YOUR PRE-DISABILITY EARNINGS?

Our payment will be figured by using the following Steps 1 through 4:

- Step 1: Multiply your monthly pre-disability earnings by the benefit percentage.
- Step 2: Compare this amount to the maximum monthly payment for this plan.
- Step 3: Take the lesser of the amounts from Steps 1 and 2. This is your gross monthly payment.
- Step 4: Subtract from the gross monthly payment any other income amounts except any income you earn or receive from any form of employment or income you could have earned from working to your maximum capacity. This is the payment that you may receive.

HOW MUCH WILL OUR MONTHLY PAYMENT TO YOU BE IF YOU ARE DISABLED AND WORKING, EARNING BETWEEN 20% AND 80% OF YOUR PRE-DISABILITY EARNINGS FOR THE FIRST 24 MONTHS OF DISABILITY BENEFITS AND BETWEEN 20% AND 60% OF YOUR PRE-DISABILITY EARNINGS THEREAFTER?

Our payment to you for 12 months will be figured by using the following Steps 1 through 4:

- Step 1: Multiply your monthly pre-disability earnings by the benefit percentage.
- Step 2: Compare this amount to the maximum monthly payment for this plan.
- Step 3: Take the lesser of the amounts from Steps 1 and 2. This is your gross monthly payment.
- Step 4: Subtract from the gross monthly payment:
 - 100% of any other income amounts except any income you earn or receive from any form of employment or income you could have earned from working to your maximum capacity; then
 - Subtract any income you earn or receive from any form of employment or income you could have earned by working to your maximum capacity only if the sum of the gross monthly payment plus this income exceeds 100% of your indexed pre-disability earnings. The monthly benefit will then be reduced by that excess amount. This is the payment that you may receive.

Our payment to you after 12 months will be figured by using the following formula:

$$(A \text{ divided by } B) \times C$$

- A = Your indexed pre-disability earnings minus any income you earn or receive from any form of employment or income you could have earned from working to your maximum capacity while you are disabled.
- B = Your indexed pre-disability earnings.
- C = The benefit calculated in Step 4 above, under the “HOW MUCH WILL OUR MONTHLY PAYMENT TO YOU BE IF YOU ARE DISABLED AND NOT WORKING OR DISABLED AND WORKING, EARNING LESS THAN 20% OF YOUR PRE-DISABILITY EARNINGS?” section.

limited 100% with indexing

**SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS
(continued)**

"Indexed pre-disability earnings" means your basic monthly earnings in effect just prior to the date your disability began adjusted on the first anniversary of benefit payments and each following anniversary. Each adjustment will be based on the lesser of 10% or the current annual percentage increase in the Consumer Price Index. The Consumer Price Index means the CPI-W as published by the U.S. Department of Labor. We reserve the right to use some other similar measurement if the U.S. Department of Labor changes or stops publishing the CPI-W.

Your loss of earnings must be as a result of or due to the same sickness or injury for which you are disabled.

WHAT IF YOUR CURRENT INCOME FLUCTUATES?

If your current income fluctuates, we may average amounts over a three (3) consecutive month period of time.

IF YOU ARE DISABLED AND WORKING, EARNING MORE THAN 80% OF YOUR PRE-DISABILITY EARNINGS DURING THE FIRST 24 MONTHS OF LTD BENEFIT PAYMENTS AND MORE THAN 60% THEREAFTER, NO PAYMENT WILL BE MADE.

Maximum monthly payment means the maximum monthly amount for which you are insured under this plan.

Minimum monthly payment means the minimum monthly amount for which you are insured under this plan, except where necessary to recover an overpayment.

Gross monthly payment means the maximum payment amount before we subtract other income amounts.

Your pre-disability earnings, benefit percentage, and maximum monthly payment appear in the PLAN HIGHLIGHTS.

WHAT IF YOU ARE DISABLED FOR ONLY PART OF A MONTH?

Your monthly payment from us is pro-rated. This means that if you are disabled for only part of a month, you will receive a payment equal to 1/30th of a full monthly payment for each day of the month you are disabled.

SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS (continued)

WHAT ARE OTHER INCOME AMOUNTS?

These are amounts, other than payments you are receiving from us, that include:

1. any benefits and awards you receive or are eligible to receive under:
 - a. Workers' Compensation Law;
 - b. occupational disease law;
 - c. any other similar act or law.

2. any disability income benefits you receive or are eligible to receive under:
 - a. any compulsory benefit act or law;
 - b. any other group insurance plan with the employer or with an association;
 - c. any other group insurance plan with another employer which you become insured under after your disability under this plan begins;
 - d. any governmental retirement system as a result of your job with the employer.

Long term disability payments are primary under this policy, meaning our payments to you will be reduced by any short term disability payments under a policy with the employer.

3. any benefits under the United States Social Security Act, The Canada Pension Plan, The Quebec Pension Plan and includes any similar plan or act. Benefits include:
 - a. disability benefits you, your spouse, or your children receive or are eligible to receive as a result of your disability;
 - b. retirement benefits you receive, your spouse or your children receive as a result of your receipt of retirement benefits.

If your disability begins after your 70th birthday, and you were receiving Social Security retirement benefits before your disability began, then we will not reduce our payments to you by these retirement benefits.

4. any benefits you receive from the employer's sick leave or formal salary continuation plan.

5. any income you earn or receive from any form of employment, including any income you could have earned while disabled by working to your maximum capacity, but you do not do so. We may require you to send us proof of your income. We will adjust our payment to you based on this information. As a part of the proof of income, we can require you to send us appropriate tax and financial records we believe we need to substantiate your income.

Maximum capacity means, based on the limiting factors of your identified sickness or injury, the greatest extent of work you are able to do in an occupation from which you must be considered disabled in order to receive disability benefits.

Primary/Family

SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS (continued)

6. any benefits from the employer's retirement plan you:
 - a. receive as disability benefits;
 - b. voluntarily choose to receive as retirement benefits;
 - c. receive as retirement benefits once you reach the greater of age 62 or normal retirement age (as defined in the employer's retirement plan).

Regardless of how the retirement funds from the plan are distributed, for the purposes of figuring our payment to you, we consider employee and employer contributions to be distributed at the same time throughout your lifetime.

This plan does not reduce payments you receive from us for your contributions to the employer's retirement plan, or for amounts you rollover or transfer to an eligible retirement plan.

Retirement plan is a defined contribution plan or defined benefit plan. These are plans that provide retirement benefits to employees and are not funded entirely by employee contributions.

Disability benefits under a retirement plan are benefits that are paid due to disability and which do not reduce the retirement benefit that would have been paid if the disability had not occurred.

Retirement benefits under a retirement plan are benefits that are paid based on the employer's contribution to the retirement plan. Disability benefits that reduce the retirement benefit under the plan will also be considered a retirement benefit.

Eligible retirement plan is defined in §402 of the Internal Revenue Code of 1986 and includes future amendments to §402 affecting the definition.

**SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS
(continued)**

7. any benefits for loss of time or lost wages you receive from the mandatory portion of a no-fault motor vehicle insurance plan, or automobile liability insurance policy.
8. any amounts you receive under any unemployment compensation law.
9. any amounts you receive from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise.

If you receive any of the other income amounts in a lump sum payment, we will pro-rate the lump sum on a monthly basis over the time period for which the sum was given. If no time period is stated, the sum will be pro-rated on a monthly basis to the end of your maximum payment duration.

Other income amounts must be payable as a result of the same disability for which you are receiving a payment from us, except for retirement benefits and any income you earn or receive from any form of employment.

WHAT IF SUBTRACTING OTHER INCOME AMOUNTS RESULTS IN A ZERO PAYMENT TO YOU?

We will pay you a minimum monthly payment under this plan, subject to any overpayments.

**SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS
(continued)**

DO WE HAVE THE RIGHT TO ESTIMATE OTHER INCOME AMOUNTS?

We have the right to estimate the amount of benefits you may be eligible to receive under Other Income Amounts, items 1, 2 and 3. We can reduce our monthly payment to you by this estimated amount if you:

- have not been awarded such benefits but have not been denied such benefits;

OR

- have been denied such benefits and the denial is being appealed;

OR

- are reapplying for such benefits.

We will not reduce our payments to you by these estimated amounts if you:

- apply (or reapply) for benefits and appeal your denial through all of the administrative levels we believe are necessary;

AND

- sign our payment option form stating you promise to pay back to us any overpayment of benefits caused by an award.

If we reduce our payment to you by an estimated amount:

- then we will adjust our payments to you when you give us proof of the amount awarded;

OR

- we will give you a lump sum refund of the estimated amount if you were denied benefits and have completed all appeals (or reapplications) we believe are necessary.

SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS (continued)

WHAT ARE NOT OTHER INCOME AMOUNTS?

We will not subtract from our payments to you any amounts you receive from the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- credit disability insurance
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and military disability income plans
- a retirement plan from another employer
- individual retirement accounts (IRA)
- informal salary continuation plan
- benefits from individual disability plans

WHAT HAPPENS IF YOU RECEIVE A COST OF LIVING INCREASE TO ANY OTHER INCOME AMOUNTS?

Other than for increases in any income you earn or receive from any form of employment, once we have subtracted an other income amount from your gross disability payment, we will not further reduce our payment to you due to a cost of living increase in any other income amount.

**SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS
(continued)**

WHEN WILL YOU RECEIVE A LIMITED NUMBER OF PAYMENTS FROM US FOR A DISABILITY?

If your disability is caused or contributed to by mental illness or substance abuse, we will pay you a monthly payment for a maximum of 24 months in your lifetime. We will not pay you a monthly payment beyond the maximum payment duration.

Mental illness means disability caused by psychiatric or psychological conditions, regardless of cause, and includes:

- schizophrenia;
- depression;
- manic depressive or bipolar illness;
- anxiety;
- personality disorders;
- adjustment disorders;
- other conditions usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs or other similar methods of treatment.

- other such conditions not listed above which are not usually treated by a mental health provider using psychotherapy; psychotropic drugs or other similar methods of treatment.

SECTION 4: LONG TERM DISABILITY BENEFIT SPECIFICS (continued)

WHEN WILL OUR PAYMENTS TO YOU STOP?

We will stop payments on the earliest of the following dates:

- the date you are no longer disabled according to this plan;
- the date you reach the end of the maximum payment duration;

Maximum payment duration means the period of time during which we will send you a monthly payment. Your maximum payment duration is based on your age when you become disabled and appears in the PLAN HIGHLIGHTS.

- during the first 24 months of disability benefits, the date your current earnings exceed 80% of your pre-disability earnings; after the first 24 months of disability benefits, the date your current earnings exceed 60% of your pre-disability earnings. If your current earnings fluctuate, we may average your current earnings over a three (3) consecutive month period of time instead of stopping your payment on the date your current earnings reach the earnings limit;
- the date you die;
- the date you fail to provide proof of continuing disability;
- the date you refuse to participate in an approved rehabilitation program;
- the date you cease to be under the regular care of a doctor, or refuse to undergo, at our expense, an examination or testing by a doctor or vocational, rehabilitation, or health assessment testing when we require such examination or testing;
- the date you refuse to receive medical treatment, including taking prescribed medicines, that your doctor has recommended and that is generally acknowledged by doctors to cure or improve the sickness or injury for which you are claiming benefits under the policy so as to reduce its disabling effect;
- the date you refuse to make a good faith effort to adhere to necessary wellness programs that your doctor has recommended and that are generally acknowledged by doctors to cure or improve the sickness or injury for which you are claiming benefits under the policy so as to reduce its disabling effect. We will work with your treating doctor to determine the necessary wellness programs, if any, in accordance with generally accepted medical standards.

We will give you 30 days prior written notice of our intent to apply this provision to terminate benefits. During those 30 days you will have an opportunity to begin or resume reasonable efforts to adhere to the medically necessary Wellness Programs. We will not terminate benefits if there is no reasonable basis for believing that you will be able to return to productive employment in your regular occupation or another gainful occupation on a full-time or part-time basis if you adhere to the recommended wellness programs.

Wellness programs include, but are not limited to, appropriate programs for dietary and nutritional improvement, weight management, smoking cessation, abstention from the excessive or illegal use of alcohol or narcotics, regular participation in exercise activities, stress management, pain management, behavioral therapy, coaching, and the regular taking of prescribed medications.

WHAT HAPPENS IF YOU HAVE A TEMPORARY RECOVERY BUT YOU BECOME DISABLED AGAIN DUE TO THE SAME INJURY OR SICKNESS AS A PRIOR DISABILITY?

If you return to work and are no longer disabled, and the same sickness or injury causes your disability to occur again within six months of the date the prior disability ended, we will resume our monthly payments to you if you were continuously insured under the plan for the period of your temporary recovery. You will not need to complete a new elimination period for this disability.

Your current period of disability will be subject to the same terms of the plan that applied to your prior period of disability.

If you become entitled to payments under any other group long term disability plan (including a plan with the policyholder that became effective after your disability began), you will not be eligible for payments under this plan.

A disability due to other causes will be treated as a new disability and will be subject to all of the provisions of this plan.

WHAT HAPPENS IF WE OVERPAY YOUR CLAIM?

We have the right to recover overpayments due to:

- fraud;

We will not recover more money from you than the amount we paid to you.

SUMMARY OF THE ADDITIONS TO YOUR LTD PLAN SECTION 6

What will you find in this section?

Other services and additional benefits are explained in this section and may be applicable to your plan.

SECTION 6: ADDITIONS TO YOUR LTD PLAN

VOCATIONAL REHABILITATION

If you are disabled and receiving a payment from us, you may be required to participate in vocational rehabilitation services. These services may include vocational testing and training, job modifications, job placement, or other services we find reasonably needed to assist you in returning to active employment either full-time or part-time.

We will determine the extent to which these services may be provided. We will pay for these services with the service provider(s), unless we agree to other arrangements.

Our decision to offer these services will be based on:

- your education, training and experience
- your transferable skills
- your physical and mental abilities
- your motivation to return to active employment
- the labor force demand for workers in the proposed occupation in your demographic area
- our expected liability for your long term disability claim.

- lack the skills, training, or experience you would need to perform another gainful occupation
- possess the physical and mental abilities you need to complete a rehabilitation program
- be reasonably expected to return to active employment with the assistance of these services.

A vocational rehabilitation program proposal may be made by either us, your doctor or yourself. We will prepare a written program with the input of you, your doctor, your current employer and/or your prospective employer. Once your doctor and we approve a program, you will be provided services according to the written program.

SECTION 6: ADDITIONS TO YOUR LTD PLAN

- what our responsibilities are
- what your responsibilities are
- what responsibilities are of any third party(ies) associated with this program
- the expected dates of the services
- the expected costs of the services
- the expected duration of the program

We reserve the right to make the final decision concerning your eligibility to take part in this program, and the amount of any services you will be provided.

If your doctor approves the rehabilitation program we have designed for you, and you do not complete your responsibilities under the program, then we may discontinue our payments to you under this plan unless there is good cause.

Good cause means documented physical or mental impairments, which leave you unable to take part in or complete the agreed upon program. It can also mean that you are involved in:

- **medical treatment which prevents or interferes with your taking part in or completing the program**
